Index to Volume XXXIV.

Nos. 391-402. May, 1953-April, 1954

A

Accommodation at Ports, Survey of Ship, 201
Algiers, Port of, 291
Aluminium and its Alloys, Properties of, 27
Amsterdam, Port of, 227, 277
Antwerp, Port of, 259
Awkward Cargoes, Mechanical Handling of, 175

B

Baltic and International Maritime Conference, 59
Banias Boat Harbour, Syria, 368
Barrow-in-Furness, Modernisation of Jubilee Bridge, 349
Berthing Gear, Wide Angle, 125
Birkenhead, New Iron Ore Berth at, 310
Bombay Dock Workers, 95
Britain's Largest Oil Dock, 316
British Columbia, New Port for, 104
British Inland Waterways, 45, 241
British Ports, Customs and Excise in, 237
British Transport Commission, 90
British Transport Commission's Docks, 63
Buckets and Tumblers, Dredger, 283
Bulk Handling of Raw Sugar, 203

C

Caisson Gate, Overhaul of, 364
Calculation of Earth Pressures, 335
Canal Dock, Repairs to Regents, 155
Cape Town, Harbour Surging, South Africa, 329
Car Ferry Terminal, Dover, 35
Cargo Handling, Faster, 189
Cargo Handling Problems of the Shipowner, 39
Cargo Handling Symposium, 314
Cargo Traffic at New York, 148
Cargoes, Handling of, 175, 309
Catnodic Protection, 318
Chain of Rocks Canal, 239
Coastal Protection, 217, 233
Comparisons in Port Working Methods, 156
Concrete, Lightweight, 124
Concrete Pile, New Type of, 276
Concrete Piles, Repairing, 13
Concrete Repair, Underwater, 172
Construction of Jetties, Simplified, 312
Controversy on Ship Tonnage Measurement, 265
Corrosion of Iron and Steel and its Prevention, 9, 47, 81, 111
Crane, Modern Monotower, 87
Customs and Excise in British Ports, 237
Correspondence:—
- British Inland Waterways, 30
- Fatal Beliefs on Flooding Levels, 340, 367
- Fendering, Lead-in Jetties and Dolphins, 189
- Future of U.K. Ports, 30
- London County Council Evidence Before the Departmental Committee on Coastal Flooding, 311
- Prefabricated Piers, 72
- The Time Factor in Handling Timber, 367

D

Dakar, Port of, 323
Derricks, Grabs Working from Ship's, 25
Development of Turkish Ports, 380
Dock and Harbour Authorities' Association, 327
Dock Labour Report, U.K., 85
Dock Labour Troubles on the Waterfront, 185
Dock Work, Shunting Locomotives for, 271
Dock Work, Structural Timber for, 139
Dock Workers, Bombay, 95
Dockers, Scheme for New York, 95
Dockers, Training of, 154
Docks, British Transports Commission's, 63
Dock of London, 250
Dolphins, Fendering, Lead-in Jetties and, 15
Dover Car Ferry Terminal, 35
Dredger Buckets and Tumblers, 283
Dredging at the Port of Melbourne, 247
Drilling for Oil, Marine, 136
Dry Dock at South Shields, New, 210
Dry Dock, Genoa, 163, 195
Dry Docks, Large, 21

E

Earth Pressures, Calculation of, 335
East African Port Facilities, 77
Echo Sounding of Jetties, 56
Electricity to Shipping, The Supply of, 361
Elevators, Floating Pneumatic Grain, 117
"Empress of Canada," Salving the, 341
Engineering Projects, Port, 11
Experimental Timber Groyne, 29

F

Faster Cargo Handling, 189
Fendering, Lead-in Jetties and Dolphins, 15
Ferry Terminal, Dover Car, 35
Fire Prevention at Ports and Oil Terminals, 345
Fire Protection at the Port of New York, 179
Fires from Floating Oil, Harbour, 137
Fires in Port, Ship, 205
Fleetwood, Port of, 355
Freetown, Port of, Sierra Leone, 67

G

Genoa, Dry Dock, 163, 195
Ghent, New Quay Wall at the Port of, 57
Go-Downs and Transit Sheds, 81
Grabs Working from Ships' Derricks, 25
Grain Elevators, Floating Pneumatic, 117
Grain Handling Plants, Mobile, 212
Groyne, Experimental Timber, 29

H

Halifax, Port of, 333
Hamburg, Port of, 99
Handling of Awkward Cargoes, Mechanical, 175
Handling of Export Cargoes, 309
Handling of Raw Sugar, Bulk, 203
Handling Perishable Goods, 366
Handling Plants, Mobile Grain, 212
Harbour, Banias Boat, Syria, 368
Harbour Board, Southampton, 61
Harbour Fires from Floating Oil, 137
Harbour Surging at Cape Town, South Africa, 329
Harbour Wind Screen, 307
Hawkesbury River Highway Bridge, N.S.W., 280, 295
Holland's Sea Defences, 371
Hull, New Timber Storage Shed at, 269
Hydraulics Research, Progress in 60, 120

I

Improvement Works, Port of London, 46
Increased Scope of Modern Welding, 94
Indonesian Port Facilities, 109
Inland Waterways, British, 45, 241
International Maritime Exhibition, 244
Inland Waterways in the North East of England, 373
Iron and Steel, Corrosion and Prevention, 9, 47, 81, 111, 143

J

Jetties and Dolphins, Fendering, Lead-in, 15
Jetties, Echo Sounding, 56
Jetties, Simplified Construction of, 312
Jubilee Bridge, Barrow-in-Furness, Modernisation of, 349

L

Labour Troubles on the Waterfront, Dock, 185
Large Dry Docks, 21
Lead-in Jetties and Dolphins, Fendering, 15
Lightweight Concrete, 124
Liverpool Observatory and Tidal Institute, 344
Liverpool, Salvage at the Port, 232
Lloyds Register of Shipping, 7
Locomotives for Dock Work, Shunting, 271
London, Docks of, 250
London, Pest Control Developments in the Port of, 303
Londonderry, Port of, 131

M

Marine Drilling for Oil, 136
Marine Radar Developments, 158
Maritime Conference, Baltic and International, 59
Mechanical Handling of Awkward Cargoes, 175
Melbourne, Dredging at the Port of, 247
Mobile Grain Handling Plants, 212
Modern Monotower Crane, 87
Modern Welding, The Increased Scope of, 94
Modernisation of Jubilee Bridge, Barrow-in-Furness, 349
Mud Meter, 147

N

Navigational Congresses, Permanent International Assn., 249
New Dry Dock at South Shields, 210
New Iron Ore Berth at Birkenhead, 310
New Port for British Columbia, 104

New Quay Wall at the Port of Ghent, 57
N.S.W., The Hawkesbury River Highway Bridge, 280, 298
New Timber Storage Shed at Hull, 269
New Trinity House, 245
New Type of Concrete Pile, 276
New York, Cargo Traffic at, 148
New York Dockers, Scheme for, 95
New York, Fire Protection at the Port of, 179
New York Port Facilities, 64
New Zealand Waterfront Industry, 254
Nigerian Port Authority, 110
North East of England, Inland Waterways in the, 373
Norrkoping, Port of, 177

O

Ocean Towage and Salvage, 296
Oil Dock, Britain's Largest, 316
Oil, Marine Drilling for, 136
Oil Pollution of the Sea, 121, 213, 254, 384
Oscillations of the Sea and the Phenomenon of Range, 41, 73, 105, 149, 169
Overhaul of Caisson Gate, 364

P

Pageant, The Royal River, 127
Perishable Goods, Handling, 365
Pest Control Developments in the Port of London, 303
Phenomenon of Range, Oscillations of the Sea and the, 41, 73, 105, 149, 169
Piecework and the Port, Industry, 378
Pile Driving in Soft Ground, 8
Piles, Repairing Concrete, 13
Pneumatic Grain Elevators, Floating, 117
Pollution of the Sea, Oil, 121, 213, 254, 384
Port Authority, Nigerian, 110
Port Engineering Projects, 11
Port Facilities, East African, 77
Port Facilities, Indonesian, 109
Port Facilities, New York, 64
Port for British Columbia, New, 104
Port of Ghent, The New Quay Wall, 57
Port of Liverpool, Salving at the, 232
Port of London Improvement Works, 46
Port of Melbourne, Dredging at the, 247
Port of New York, Fire Protection at the, 179
Port Operating Practice, 377
Port Working Methods, Comparison in, 156
Ports and Oil Terminals, Fire Prevention, 345
Ports, Quayside Equipment of, 71
Prevention, Corrosion of Iron and Steel, 9, 47, 81, 111, 143
Problems of the Shipowner, Cargo Handling, 39
Progress in Hydraulic Research, 60
Properties of Aluminium and its Alloys, 27
Protection, Coastal, 217, 233

Q

Quayside Equipment of Ports, 71

R

Radar Developments, Marine, 158
Rapid Ship Turn-round, 199
Register of Shipping, Lloyds, 7
Repair, Underwater Concrete, 172
Repairing Concrete Piles, 13
Repairs to Regents Canal Dock, 155
Research, Hydraulics, 60, 120
Royal River Pageant, 127

S

St. Lawrence Waterway, 286
Salvage at the Port of Liverpool, 232
Salvage, Ocean Towage and, 296
Salving the "Empress of Canada," 341
Savannah, Port of, 92
Scheme for New York Dockers, 95
Sea Defences, Holland's, 371
Sea Pollution by Oil, 121
Ship Fires in Ports, 205
Ship Stowage, 168
Ship Tonnage Measurement, The Controversy on, 265
Ship Turn-round, Rapid, 199
Ship Types and Future Tendencies, 270
Shipping and the State, 174
Ship's Derricks, Grabs Working from, 25
Ships, Tonnage of, 54, 297
Shunting Locomotives for Dock Work, 271
Simplified Construction of Jetties, 312
Soft Ground, Pile Driving in, 8
South Shields, New Dry Dock at, 211
Southampton Docks, Timber Traffic at, 264
Southampton Docks, Wool Traffic at, 308
Southampton Harbour Board, 61
Steel Structures, Welded Tubular, 345
Structural Timber for Dock Work, 139
Sugar, Bulk Handling of Raw, 203
Supply of Electricity to Shipping, 361
Survey of Ship Accommodation at Ports, 201
Survey of U.S. Harbours, 63
Syria, Banias Boat Harbour, 365

T

Tarifa, The Military Port of, 3
Tema, Port of, Gold Coast, 315
Timber for Dock Work, Structural, 130
Timber Groyne, Experimental, 29
Timber Traffic at Southampton Docks, 264
Tonnage Measurement of Ships, 297
Tonnage Measurement, The Controversy on Ship, 265
Tonnages of Ships, 54
Traffic at New York, Cargo, 148
Training of Dockers, 154
Transit Sheds, Go-Downs and, 181
Transport Commission, British, 90
Trinity House, 245
Tubular Steel Structures, Welded, 345
Turkish Ports, Development of, 380

U

Underwater Concrete Repair, 172
U.K. Dock Labour Report, 85
U.S. Harbours, Survey of, 63

W

Waterway, St. Lawrence, 286
Waterways, British Inland, 45, 241
Waterways in the North East of England, Inland, 373
Welded Tubular Steel Structures, 346
Welding, The Increased Scope of Modern, 94
Wide Angle Berthing Gear, 125
Wind Screen, Harbour, 307
Wool Traffic at Southampton Docks, 308
